LECONS CLINIQUES SUR LES TEIGNES: FAITES A L HOPITAL SAINT-LOUIS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from Lecons Cliniques sur les Teignes: Faites a l Hopital Saint-Louis Les affections de la peau sont malheureusement peu connues de la plupart des medecins, les teignes encore moins peut-etre que les autres, c est pour en vulgariser la connaissance que ces lecons ont ete faites l an dernier a l hopital Saint-Louis, le dimanche matin, les malades sous les yeux et appuyees de demonstrations microscopiques; j ai voulu ne rien avancer que je ne pusse immediatement demontrer, c est la leur seul merite. Le lecteur ne trouvera rien qui n ait ete deja dit avec une grande autorite par mon illustre predecesseur, M. Bazin; mes etudes ne sont que la confirmation des siennes en tres-grande partie du moins; je les ai faites sans idee preconcue, ne cherchant que la verite; je me suis efforce d etre aussi clair, aussi elementaire et aussi pratique que possible. Je n aurais peut-etre pas songe a publier ces lecons si elles n avaient ete reproduites dans un journal de medecine, tronquees et defigurees; j ai du alors prier un de mes internes les plus distingues, M. le docteur Landouzy, de les rediger et de les publier dans le Progres Medical (1876-1877); il s est acquitte de cette tache avec un zele et un soin dont je suis heureux de pouvoir le remercier ici.
