## THE SUN ALSO RISES (HARDBACK)

Salem Press Inc, United States, 2010. Hardback. Condition: New. Reprint. Language: English . Brand New Book. Petrina Crockford, writing for The Paris Review, demonstrates how the novel prefigures Hemingway s development as a writer as well as the themes that would preoccupy him throughout his career. For readers studying The Sun Also Rises for the first time, a quartet of new essays provide valuable introductory material. Matthew J. Bolton explores...
