

## Nikon Df (Paperback)

By Jon Sparks

Guild of Master Craftsman Publications Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. The D in the name stands for digital , while the f stands for fusion , referring to the marriage of old and new. The Df is intended for those who want to produce pure photography. Despite its pretensions of being a fully manual camera, the Df also features front and rear electronic control dials in addition to the physical dials on the top-plate. Most notably, and unusual for a modern DSLR, the Df cannot shoot video. This is because the Nikon Df is intended to be a serious camera for people who want to produce pure photography. UK author Jon Sparks provides practical tips on how to get the best from this versatile camera, in this comprehensive step-by-step guide that includes a pullout quick reference card.
