Brand New Book ***** Print on Demand *****.Excerpt from A Narrative of Major General Wool s Campaign in Mexico: In the Years 1846, 1847, and 1848 The writer of the following narrative, during the progress of the late war between the United States of America and Mexico, became deeply interested in the marvellous events which grew out of it, resembling rather the fictions of romance and chivalry, than the precision and mathematical exactness of modem warfare. On the question of the admission of Texas into the American Union as one of its states, the writer differed altogether from those with whom he had generally acted in political affairs; and notwithstanding the concurrent views of the leaders of the two great parties, who, on this question, thought alike, and whose opinions it was supposed would have a predominating influence over the whole people; it did seem to him that an opportunity was presented for strengthening our weakest, and, in a commercial view, our most important frontier, which might be lost forever if neglected. Texas had gained her independence by her own prowess, and by driving her Mexican oppressors from her soil. She solemnly proclaimed it, and established a government sufficiently legitimate to satisfy the scruples of Great Britain, France, Belgium, and finally of the United States - the last having been somewhat fastidious on this matter. With her independence acknowledged and her nationality admitted by the greater powers of the world, she offered to negotiate with the American government for admission into the American Union; and a majority of Congress consented to the measure and ratified it, and Texas became one of the United States, while she was yet at war with Mexico, and consequently...
