HOW MANY

Random House, London, 2007. Hardcover. Condition: New. New. Still in protective plastic wraps. Never opened. 2007 edition, published in Great Britain by Doubleday, an imprint of Random House Children's Books. First printing- full number line starting with 1. " How Many? In the magnificent and long-awaited pop-up book form master paper engineer Ron Van Der Meer. Each stunning page invites readers to look for different shapes and colours among the spectacular paper sculptures and special effects. This exquisite book is a unique work of art that will entertain- and be treasured by- generations to come. How many shapes can you find? Make up your own rules and questions. Open each page fully, turn it around, and view it from every angle. Decide whether shadows, reflections, and different colours count as additional or different shapes. Or just enjoy this beautiful book- it's fun, fascinating, and filled with surprises.!" (excerpt).
