

Confessions of a So-Called Middle Child

By Lennon, Maria T.

HarperCollins Publishers, 2014. Paperback. Book Condition: New. 1. 14 x 21 cm. "When you're the middle kid, it's always your fault. When someone cries it's your fault, dies, farts, burps, you name it, it's your fault. Always your dang fault. So here's my story of how I, Charlie C. Cooper got rid of the stigma of middle kid, beat the pants off the school meanie, and discovered the super-cool and super-secret hidden tunnels of Mr. Harry Houdini. Seriously, true story. And it all begins right here. Right now." CONFESSIONS OF A SO-CALLED MIDDLE CHILD stars the hilariously fresh Charlie Cooper as she tries to ditch her middle child reputation and make cool friends at her new school in Los Angeles. But being cool isn't as easy as it looks-Charlie has to face down the mean girls and decide between right and wrong once and for all when she learns the terrible truth behind Marta the Farta's bad attitude and loner status. And Charlie has to do it all in turquoise Doc Marten boots! This is the tween (and American) version of ANGUS, THONGS, AND FULL-FRONTAL SNOGGING! Ages:8-12. Paperback.

Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).
