Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The following pages are intended to form a record of my experience in a department of music which has hitherto been left to professional routine and amateur criticism. I shall appeal to professional executants, both instrumentalists and vocalists, rather than to conductors; since the executants only can tell whether, or not, they have been led by a competent conductor. I do not mean to set up a system, but simply to state certain facts, and record a number of practical observations.
