

Scrap

By W. Bagley

Little, Brown & Company. Hardback. Book Condition: new. BRAND NEW, Scrap, W. Bagley, In the tradition of Stitch 'n Bitch, a collection of humorous essays about America's obsession with scrapbooking Scrapbooking leads to deeper love, better health, perfect kindness, universal peace, a clearer complexion, and material wealth. Or so says Wendy Bagley, the witty author of Scrap: Adventures in Scrapbooking. Scrap is a hysterical collection of essays celebrating this outrageously popular hobby in all its glory. True "Scrapaholics"--a.k.a. Crop Queens, Photo Fiends, and 35-millimeter Mamas--will rejoice to see themselves reflected in the pages of this one-of-a-kind send-up. Overflowing with helpful hints ("Successful scrapbooking is one percent inspiration, eighty-nine percent perspiration, and ten percent snack food.") and aspirational wisdom (see the chapter titled "World Peace Through Scrapbooking"), Scrap is the perfect gift for the scrapbooking Mom who has everything.

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
